Resource Mapping Tool: Identifying Partners

Task: Identify key partners and what they bring to the community mapping process.

Process:
Step 1: Brainstorm potential partners (e.g., individuals, organizations, initiatives, etc.) to include in your mapping process.
Step 2: Identify what each partner brings to the table: their self-interest, what will keep them involved, and their role in the process.

Partnership-Building Worksheet

Potential stakeholder/partner	What do they bring?	What is their self-interest?	Steps to elicit involvement	Role in the process
